RE: Fiscal Year 2008 State Homeland Security Grant Program (SHSGP)
Clarification of Submittal Due Date & Workshop Location Change

The Governor's Office of Homeland Security (OHS) wishes to clarify a portion of the FY08 California Supplement to the Federal Program Guidance and Application Kit, specifically the Subgrantee Application Submittal Due Date. The correct date for subgrantees to submit their FY08 Homeland Security Grant Program applications is **August 15, 2008** as mentioned in Grant Management Memo 2008-005 and shown in the Subgrantee Timelines section on page 8 of the Supplement. The due date shown on page 14 of the Supplement is an error.

Due to an overwhelming response, the location of the FY08 Application Preparation Training Workshop scheduled for June 2, 2008 has been moved to accommodate a larger audience. The new location is 3650 Schriever Avenue, Mather, California, 95655 at the Governor's Office of Emergency Services Headquarters Building, in Multi-Purpose Room #1. This location offers free parking.

Please make a note of the above changes. For further information, please contact your Homeland Security Grant Program Representative.

Sincerely,

Larry M. Davis
Deputy Director
